Feedback

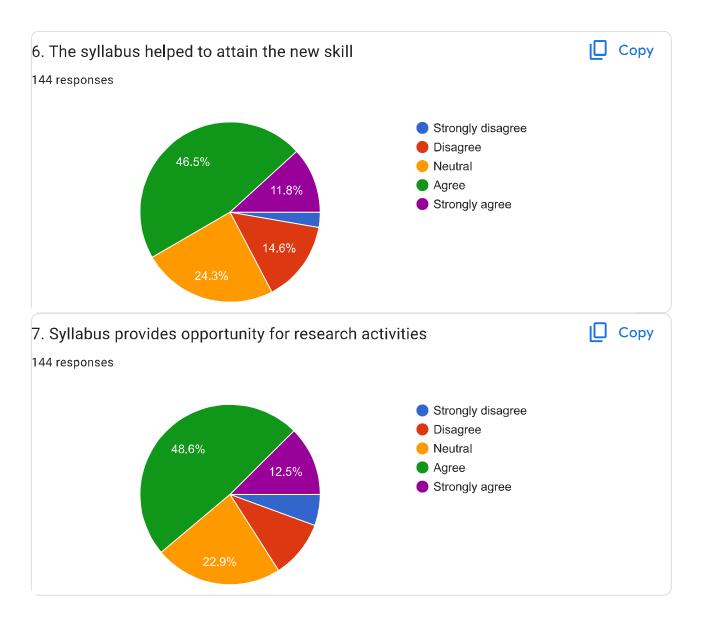

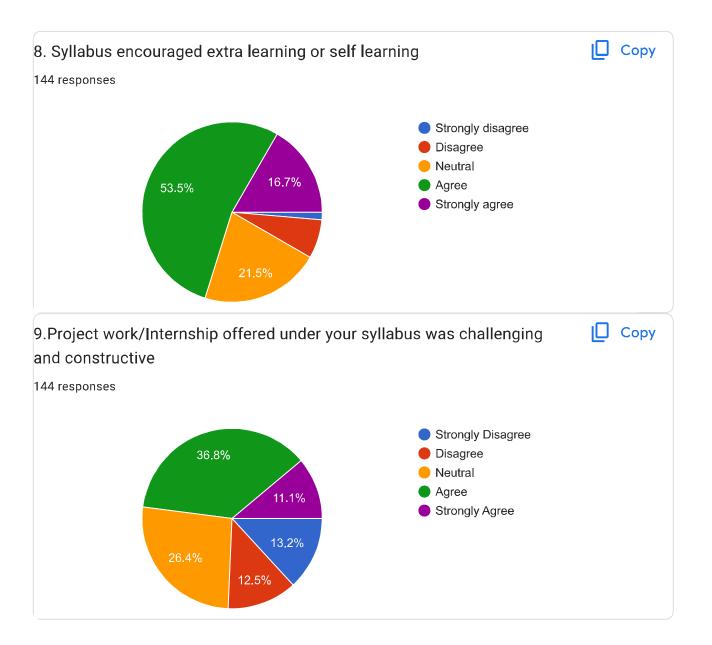

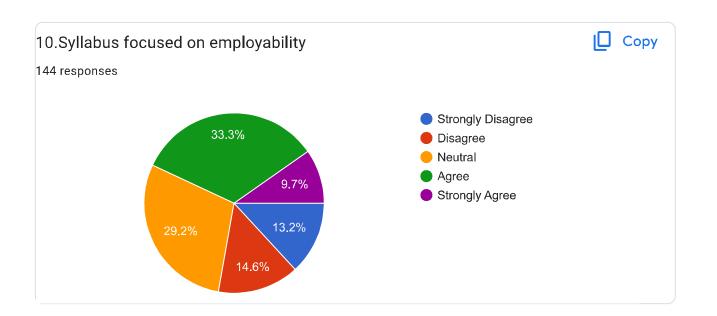

if you have any suggestion for the improvement entire syllabus, please state here. 73 responses No No suggestions Nothing Nothing More field trips should be organised by the department for betterment of students You can add rural communication and can enhance the syllabus of communication for marketing. Also one can add organization behavior and bit of excel learning and mathematics for our competative exams ane employability. Syllabus and all are fine but to bring session on the track, students could get the enough time to go through whole syllabus instead they focus only on the selective topics which indeed is not a good sign. Very good Very effective learning Equipments should be upgraded in lab practicals Kindly put the syllabus under ugc guidelines and doesn't fell bad for them Syllabus should include practicals and lab works with proper guidance Incorporate syllabus which is highly related to employment and competitive exams.

Complete syllabus on time

Expose the students more in their field by making internships compulsary in all semester

Syllabus to be taught in sequence according to the syllabus

No

Syllabus should be more technical driven which should focus industrial aspect and application based

Including a skill development course may help

हिन्दी साहित्य की क्लास में चर्चा पर ज्यादा ध्यान दें। कॉलेज की कोशिश यह होनी चाहिए कि बच्चे पूरे कोर्स के दौरान रट्टू तोते ना बने कुछ साहित्य की समझ भी विकसित करें। इसके लिए एक जरूरी बात यह है कि प्रोफेसर्स नोट्स लिखवाने की जगह लेक्चर ज्यादा लें और चर्चा की तरह क्लास को रखें। पढ़ने के लिए बच्चों को हर रोज कुछ मिले और अगले दिन उससे संबंधित कुछ चर्चा हो। जेएनयू और दिल्ली विश्वविद्यालय आदि को ध्यान में रखकर पढ़ने और पढ़ाने की शैली का विकास हो। इसके साथ ही जो स्कील डेवलपमेंट वाले कोर्स हैं उसके बकायदा वर्कशॉप हो ना कि बस परिभाषा लिखवाकर छोड़ दें।

No suggestion

PLEASE WORK ON THE FIELD OF LABORATORY AND PROJECT WORK

Technical degree is recomended

There is no problem in syllabus

Teacher's should also look upon students point of view while making decisions

This syllabus is very good for competitive exams like net/set/jrf

Anyone's suggestion would not be useful. Because they will do what they want not what the students want. So keep going like this only

NA

Best

Syllabus should be designed with respect to the competitive exams

It would have been better if could have had a chance to do some internship in fields related to geography.

Syllabus was constructive enough which allowed student to think outside of the box but it would be better if they provide the curriculum the proper tenure of 6 months per semester so that students can go through the syllabus in informative manner and not just for exam.

No suggestion

There is a lack of faculty members in the department of history

Syllabus was preety good. But we could focus more on Indian Society & Culture.

It was good 👍

Make syllabus in such a manner that it helps in competitive exams too. Also take students for educational tour and research programme to enhance and upgrade thier level of education and learning. Thank you..

It was altogether good.

Linguist as a subject should be included.

Good job

Great

Syllabus was good

Syllabus should be more focused on practical skills. Lab works should be encouraged with proper guidance.

Professor's should discuss the given topic with more details.

nothing

Syllabus should be understandable and intresting so that teachers could teaches students easily

Overall the building construction management course(BBCM) was very good and it helped me learn many skills

Entire syllabus should be Employability focused

New learnings with better & apt sources can be included in UG programme rest all were really good

Best faculty member

no

Should discuss more about job opportunities

It should be more oriented towards skill development

Neutral Main topic must be covered Please add extra carriculum in the entire syllabus Right now nothing Good No problem Syllabus should be shorter it's quite lengthy and tough Everything is good but just a small suggestion that please arrange the regular tours and picnic for the students that's it... Ok Kindly make it for compartable with existing company and market demand Less fees
