

EARTH DAY : QUIZ

22ND APRIL, 2025

The Geoclub, under the Department of Geography at St. Xavier's College, Ranchi, organized a quiz on the auspicious occasion of Earth Day, April 22, 2025, Tuesday, under the theme "She gave me roots, rivers, and rain - the warmth of a mother's grace. Now I vow to guard her skies, her soil, her sacred face."

The poster is for an Earth Day quiz organized by the Geoclub of St. Xavier's College, Ranchi. It features a yellow background with green accents. At the top, it says 'GEOCLUB- IQAC' and 'DEPARTMENT OF GEOGRAPHY ST. XAVIER'S COLLEGE (AUTONOMOUS), RANCHI'. The theme is written in English and Hindi. A QR code is provided for participation, with the text 'SCAN ME' and 'PARTICIPATE IN THE QUIZ TO TEST YOUR KNOWLEDGE ABOUT EARTH AND ENVIRONMENT'. A banner at the bottom promises '*EXCITING PRIZES FOR THE WINNERS'. The bottom of the poster is decorated with a colorful illustration of children playing in a park.

GEOCLUB- IQAC
DEPARTMENT OF GEOGRAPHY
ST. XAVIER'S COLLEGE (AUTONOMOUS), RANCHI

She gave me roots, rivers, and rain — the warmth of a mother's grace. Now I vow to guard her skies, her soil, her sacred face

उसने मुझे जड़ें दीं, नदियाँ दीं, और बारिश — एक माँ की कृपा की गर्माहट।
अब मैं वचन देता हूँ कि मैं उसकी फ़िज़ाओं, उसकी मिट्टी, और उसके पावन रूप की रक्षा करूँगा।

EARTH DAY

SCAN ME

PARTICIPATE IN THE QUIZ TO TEST YOUR KNOWLEDGE ABOUT EARTH AND ENVIRONMENT

***EXCITING PRIZES FOR THE WINNERS**

The quiz aimed to test one's knowledge about the earth and environment we live in. How much are we aware of the earth and its environment? As for the format of the quiz, it was an online quiz; just scan and participate, making it pocket-friendly and generating no waste. The event was easily accessible, open to all departments of the college, and allowed participants to test their knowledge of the earth and environment while competing for exciting prizes.

The outcome of the quiz was immensely good; with a total of 98 participants. We highly appreciate each participant's involvement, as the quiz aimed not only to test knowledge but also to promote learning. We hope that while attempting the quiz, you learned a lot about the earth and tested your knowledge. We also hope you had a good time throughout the entire experience.
