INTRODUCTION

The Microbiologists Society India (MBSI), St. Xavier's College, Ranchi, Jharkhand, is a dynamic student-led organization dedicated to promoting scientific awareness, academic excellence, leadership, and social responsibility among students. The society serves as a platform for nurturing curiosity in the field of microbiology while encouraging interdisciplinary learning, innovation, and community engagement.

Throughout the academic year, the society organized a wide range of activities, including awareness campaigns, outreach initiatives, competitions, and social service programs. These events provided students with opportunities to enhance their knowledge, develop practical skills, foster teamwork, and contribute meaningfully to society.

This Annual Events Report presents a comprehensive overview of the major initiatives undertaken by the society during the year, highlighting the collective efforts, achievements, and impact of its members in fulfilling the vision and mission of the Microbiologists Society India, St. Xavier's College, Ranchi Unit, Jharkhand.

The official tenure for 2025-26 began in September.

Introduction

The Microbiologist's Society India, St. Xavier's College Unit, Ranchi, organized its Orientation Day on 12th October 2025 to officially welcome the newly recruited members and mark the beginning of the Society's Tenure 2025–26. The programme served as an opportunity for new members to interact with the Office Bearers, understand the Society's vision and activities, and build meaningful connections through fun and engaging activities.

Objective

- To welcome newly recruited members to the Society.
- To officially introduce the Office Bearers for the tenure 2025–26.
- To distribute appointment letters to the newly appointed Office Bearers.
- To strengthen interaction and team bonding through fun games and activities.
- To encourage leadership, confidence, and a sense of belonging among members.

NAV EKTA

Conclusion

The Orientation Day was successfully conducted, marking the beginning of an exciting new tenure for the Microbiologist's Society India, St. Xavier's College Unit, Ranchi. The programme successfully welcomed the new members, recognized the newly appointed Office Bearers, and strengthened the bond among society members through interactive activities and team-building games. The event concluded on a positive note, fostering enthusiasm, leadership, and a shared commitment towards the Society's future initiatives.

Event Details

- **Organized by:-** Paw Mitra In Collaboration with Microbiologists Society India, St. Xavier's College Unit, Ranchi
- **Date:-** Sunday, 2nd November 2025
- **Time:-** 11:00 AM - 2:00 PM
- **Venue:-** Ranchi City (Offline Outreach Programme)
- **Number of volunteers:** 10
- **Organizing Secretary:** Gurjyot Singh

Introduction

Paw Mitra, in collaboration with the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, organized an animal welfare outreach programme on 2nd November 2025. The initiative aimed to care for stray animals by providing them with food, water, and temporary shelter while encouraging volunteers to practice compassion and responsibility towards animals.

Objective

- To provide food, water, and basic care to stray animals.
- To encourage compassion and responsibility towards animal welfare.
- To spread awareness about the importance of protecting and caring for stray animals.
- To promote community participation in animal welfare initiatives.

PAWMITRA

Event Highlights

The volunteers were divided into small groups and assigned different locations across Ranchi City to ensure wider outreach. Throughout the programme, the volunteers fed stray animals with milk, chapatis (bread), biscuits, and clean drinking water. They also made efforts to provide temporary shelter and care to animals wherever possible.

The event served as a meaningful platform for volunteers to contribute towards animal welfare while fostering empathy and social responsibility through community service.

Conclusion

The Paw Mitra outreach programme was successfully conducted with the active support of the Microbiologist's Society India, St. Xavier's College Unit, Ranchi. The initiative positively impacted the lives of stray animals by providing them with food, water, and care. It also inspired volunteers to continue working towards animal welfare and reinforced the importance of compassion, kindness, and community service.

AASRA – THE WOLLEN DONATION DRIVE

Event Details

- **Organized by:-** Microbiologists Society India, St. Xavier's College Unit, Ranchi
- **Date of the Event:-** 9th November 2025
- **Time:-** 9:00 AM - 1:00 PM
- **Venue:** Ranchi City (Outreach Programme)
- **Collection Period:** 25th October 2025 – 4th November 2025
- **No. Of Students Volunteers:** 34

Introduction

AASRA – The Woollen Donation Drive, organized by the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, aimed to provide warmth and comfort to underprivileged individuals during winter by collecting usable woollen clothes under the motto, "What You Can Spare Can Be Someone's Winter Wear." The event was inaugurated by President Ms. Sarah Shariff, who encouraged volunteers to uphold the values of social responsibility and compassion. The programme was successfully coordinated by the Chief Organizing Secretaries, Manpreet and Shreya, with the support of the Joint Organizing Secretaries, Abhya and Monty, ensuring its smooth execution.

Implementation

Following the successful collection phase, the distribution programme was conducted on 9th November 2025 across various parts of Ranchi City. A team of 34 volunteers actively participated in distributing the collected woollen clothes to those in need, ensuring the donations reached deserving beneficiaries and making the campaign both organized and impactful.

AASRA – THE WOLLEN DONATION DRIVE

Objectives

- To collect usable woollen clothes for economically weaker and homeless individuals.
- To encourage a culture of sharing, empathy, and social responsibility among students.
- To promote community engagement through volunteer-driven outreach activities.
- To provide immediate winter relief to underprivileged people across Ranchi City.

Team :-Team Heads and Members Present in each team

1. Team Ummed - Gracy and Sai (17)
2. Team Avengers - Anurati and Monty (17)
3. Team Vishwas - Duhita and Aryan (17)
4. Team Warm Hug - Abhya and Shreeya (17)

Achievements and Highlights

- Successfully collected and distributed 602 woollen clothes.
- Participation of 34 dedicated volunteers during the distribution drive.
- Team Vishwas emerged as the highest contributing team, contributing 206 clothes.
- Mr. Saket Verma of Team Ummed was recognized as the Highest Individual Donor, contributing 50 woollen clothes.
- Successfully conducted a city-wide outreach programme benefiting numerous underprivileged individuals.

AASRA – THE WOLLEN DONATION DRIVE

Impact of the Event

The initiative positively impacted many underprivileged individuals by providing essential winter clothing before the peak winter season while promoting values of kindness, generosity, and community service among students. The enthusiastic participation of society members showcased the power of collective action, strengthened teamwork and volunteer engagement, and inspired continued involvement in future humanitarian initiatives.

Conclusion

AASRA – The Woollen Donation Drive, organized by the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, was successfully conducted with enthusiastic participation from members and volunteers. Through their collective efforts, 602 woollen clothes were collected and distributed to underprivileged individuals across Ranchi, spreading warmth and support. The drive highlighted the Society's commitment to social service and reinforced the values of compassion, humanity, and community responsibility.

WORLD DIABETES DAY

- AWARENESS DRIVE

Event Details

- **Organized by:-** Microbiologists Society India, St. Xavier's College Unit, Ranchi
- **Date of Event:-** 14th November 2025
- **Title of the Event:-** World Diabetes Day – Walk for a Cause (Awareness Drive)
- **Venue :-** Outside Fr. C. de Brouwer Auditorium, St. Xavier's College Unit, Ranchi
- **Time:-** 10:00 AM – 02:00 PM
- **Mode of Event:-** Offline
- **No. Of Students Volunteers:** 33

Introduction

To commemorate World Diabetes Day, the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, organized a "Walk for a Cause – World Diabetes Day Awareness Drive" on 14th November 2025 outside the Fr. C. de Brouwer Auditorium. The event aimed to raise awareness about diabetes, emphasizing the importance of early diagnosis, healthy lifestyle choices, and community participation in preventing and managing the disease.

The programme was inaugurated by the President of the Society, Ms. Sarah Shariff. The event was coordinated by Archi Bedi as the Chief Organizing Secretary (COS), while Manpreet and Shreya served as the Joint Organizing Secretaries (JOS), ensuring the smooth execution of the programme with the support of dedicated volunteers.

WORLD DIABETES DAY

- AWARENESS DRIVE

Objective:-

- To spread awareness about diabetes and its increasing prevalence.
- To educate students and the public about preventive measures, healthy eating habits, and regular health check-ups.
- To encourage physical activity and healthy lifestyle practices through community engagement.
- To commemorate World Diabetes Day by promoting the global theme through awareness activities.
- To inspire students to actively participate in public health initiatives and become ambassadors of health awareness.

Outcome:-

- The awareness drive received an enthusiastic response from students, faculty members, and visitors.
- A Sugar Testing Booth was set up to encourage regular blood glucose monitoring and promote early detection of diabetes.
- The programme also featured fun games and an interactive Question-and-Answer session, where participants answered health-related questions and learned interesting facts about diabetes in an engaging manner.
- To symbolize solidarity with the global campaign for diabetes awareness, participants followed a Blue Dress Code, and blue ribbons were tied to attendees as a mark of support and to highlight the significance of World Diabetes Day.

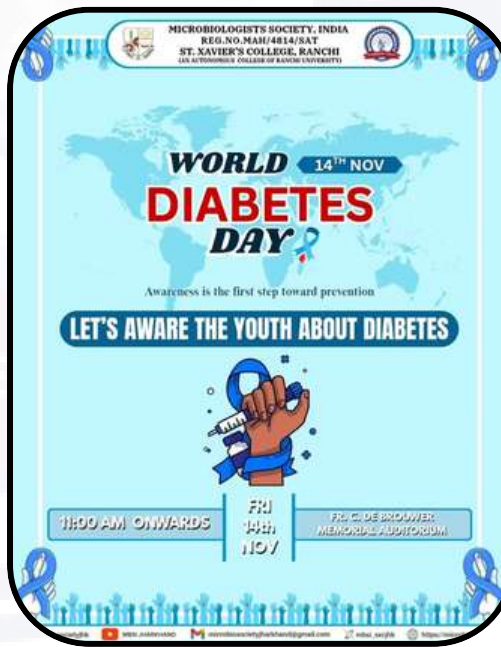

WORLD DIABETES DAY **- AWARENESS DRIVE**

Conclusion

The event successfully created awareness regarding diabetes prevention, healthy lifestyle practices, and the importance of regular health screening. The programme concluded on a positive note with active participation from volunteers and attendees. A heartfelt Vote of Thanks was delivered by Ms. Sarah Shariff, President of the Microbiologist's Society India, expressing gratitude to all organizers, volunteers, participants, and supporters who contributed to the success of the awareness drive.

INTERNATIONAL DAY FOR ELIMINATION OF VIOLENCE AGAINST WOMEN

Event Details

- **Organized By:-**Microbiologist's Society India, St. Xavier's College Unit, Ranchi in Collaboration with the Women Cell, St. Xavier's College Unit, Ranchi
- **Date:-** 25th November 2025
- **Time:-** 11:00 AM - 2:00 PM
- **Title:-** International Day for the Elimination of Violence Against Women
- **Venue:-** Father Proost Hall, St. Xavier's College Unit, Ranchi
- **Mode of Event :-** Offline
- **Chief Guest :-** Advocate Kumari Arti Verma, Magistrate, Child Welfare Committee (CWC), Public Policy Professional, Ranchi
- **No. Of Students Volunteers:** 33
- **No. Of Participants :-** 12

Introduction

To commemorate the International Day for the Elimination of Violence Against Women, the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, in collaboration with the Women Cell, St. Xavier's College Unit, Ranchi, organized an awareness programme on 25th November 2025 at Father Proost Hall. The event aimed to spread awareness about gender-based violence, encourage dialogue on women's rights, and inspire students to become advocates for equality and social justice.

The programme was inaugurated by Captain Dr. Priya Srivastava, Head of the Women Cell and Faculty, Department of Zoology, St. Xavier's College, Ranchi. The event was gracefully hosted by Mayank and Niharika, who ensured the smooth conduct of the programme.

INTERNATIONAL DAY FOR ELIMINATION OF VIOLENCE AGAINST WOMEN

The Chief Guest, Advocate Kumari Arti Verma, addressed the gathering with an insightful session on women's legal rights, protection mechanisms, and the importance of collective responsibility in eliminating violence against women. A thought-provoking address was also delivered by Ms. Mouli Chakroborty, Faculty, Department of Zoology, emphasizing the role of education and awareness in creating a safer and more inclusive society. The event was efficiently coordinated under the leadership of Mr. Abhishek Kumar, Chief Organising Secretary (COS), and Ms. Shafaque Waheed, Joint Organising Secretary (JOS), whose dedicated efforts ensured the successful planning and execution of the programme.

Objective

- To observe the International Day for the Elimination of Violence Against Women and spread awareness among students.
- To educate students about women's rights, legal provisions, and available support systems.
- To encourage youth participation in promoting gender equality and respect.
- To provide students with creative platforms to express their perspectives through Poetry and Digital Poster-Making Competitions.
- To foster empathy, social responsibility, and collective action against all forms of violence faced by women.

INTERNATIONAL DAY FOR ELIMINATION OF VIOLENCE AGAINST WOMEN

Outcome

The programme witnessed enthusiastic participation from students across different departments. The Poetry Competition and Digital Poster-Making Competition provided participants with an opportunity to creatively portray issues related to violence against women, gender equality, and women's empowerment through impactful words and compelling visual art.

The interactive session with Advocate Kumari Arti Verma enriched students' understanding of legal rights, child welfare, and the significance of reporting and preventing violence. The insightful speeches delivered by the Chief Guest and Ms. Mouli Chakroborty motivated students to become responsible citizens committed to building a society based on equality, dignity, and mutual respect.

The competitions were jointly judged by Advocate Kumari Arti Verma and Ms. Mouli Chakroborty, who appreciated the creativity, sensitivity, and awareness reflected in the participants' presentations.

The programme concluded with a heartfelt Vote of Thanks delivered by Ms. Sarah Shariff, President of the Microbiologist's Society India, St. Xavier's College Unit, Ranchi. She expressed gratitude to the Chief Guest, faculty members, the Chief Organising Secretary (COS) Mr. Abhishek Kumar, Joint Organising Secretary (JOS) Ms. Shafaque Waheed, organizing committee, volunteers, participants, and all attendees for making the programme a meaningful success.

URBAN CRICKET SHOWDOWN

Event Details

- **Tagline:-**"Feel the Rush, Live the Game."
- **Organized by:-** Microbiologist's Society India, St. Xavier's College Unit, Ranchi In Collaboration with Emphyrean Club, St. Xavier's College, Ranchi
- **Sponsored by:-** Forms Adda
- **Date & Time:-** Sunday, 7th December 2025 | 7:00 AM onwards
- **Venue:-** Tribal Ground, Near Ruin House
- **No. Of Students Volunteers:** 11

Introduction

The Urban Cricket Showdown was organized by the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, in collaboration with the Emphyrean Club, St. Xavier's College, Ranchi, and was proudly sponsored by Forms Adda. Held under the tagline "Feel the Rush, Live the Game," the event aimed to strengthen friendship and teamwork between the two clubs through a spirit of healthy competition and sportsmanship. The match was inaugurated by the President of the Microbiologist's Society India, Ms. Sarah Shariff, and the President of Emphyrean Club, Mr. Sufiyan Akhtar, who encouraged the participants to play with enthusiasm, discipline, and mutual respect.

Objective:-

- To promote bonding and collaboration between the two clubs.
- To encourage teamwork, sportsmanship, and healthy competition.
- To provide members with a recreational and engaging sporting experience.

URBAN CRICKET SHOWDOWN

Event Highlights

- The cricket match was played between Team MBSI and Team Empyrean.
- The teams were led by their respective captains, Munna (MBSI) and Jatin (Empyrean Club). The event was coordinated on behalf of MBSI by Gurjyot and Jatin, ensuring the smooth conduct of the programme.
- Both teams displayed exceptional enthusiasm and teamwork throughout the match. After an exciting contest, Empyrean Club emerged victorious.
- The Man of the Match award was presented to Saad from Empyrean Club for his outstanding performance and valuable contribution to his team's victory.

Conclusion

The Urban Cricket Showdown concluded successfully with enthusiastic participation from members of both clubs. The event strengthened inter-club bonding, promoted sportsmanship, and provided participants with a memorable and enjoyable experience. The support extended by Forms Adda as the event sponsor contributed significantly to the successful organization of the tournament.

ELOCUTION COMPETITION

Event Details

- **Organized by:-** Microbiologist's Society India, St. Xavier's College Unit, Ranchi
- **Theme:-** Black Day – Pulwama Remembrance
- **Date & Time:-** 14th February 2026 | 7:00 PM onwards
- **Venue:-** Online (Google Meet)
- **No. Of Volunteers:** 8

Introduction

The Microbiologist's Society India, St. Xavier's College Unit, Ranchi, organized an Elocution Competition on 14th February 2026 under the theme "Black Day – Pulwama Remembrance" to pay tribute to the brave soldiers who laid down their lives in the Pulwama attack. The event provided students with a platform to express their respect, gratitude, and patriotism through speeches, poetry, and essays.

The programme was inaugurated by Dr. Ajay Shrivastava, Head of the Department of Botany and State Coordinator of Microbiologist's Society India, who highlighted the importance of remembering the sacrifices made by the nation's bravehearts and inspired students to uphold the values of courage, unity, and patriotism.

Objective

- To pay tribute to the martyrs of the Pulwama attack.
- To encourage students to express patriotism through poetry, speeches, and essays.
- To instill respect and gratitude for the sacrifices made by the armed forces.
- To provide a platform for students to showcase their literary and public speaking skills.

ELOCUTION COMPETITION

Event Highlights

- The competition witnessed enthusiastic participation from students who presented heartfelt speeches, poems, and essays dedicated to the courageous soldiers who sacrificed their lives in the service of the nation.
- The event was coordinated by the Chief Organizing Secretary, Shafaque, and the Joint Organizing Secretary, Nishi, ensuring the smooth conduct of the programme.
- The competition was judged by Dr. Ajay Shrivastava, Head of the Department of Botany and State Coordinator of MBSI, and Chief Guest Ms. Sangeeta Kumari, Department of Botany, Yogoda Satsang Mahavidyalaya. and Ms. Deepshikha, Faculty, Department of Zoology, St. Xavier's College Unit, Ranchi, who appreciated the participants for their inspiring presentations and thoughtful expressions.
- The programme concluded with a heartfelt Vote of Thanks delivered by the President of the Microbiologist's Society India, Ms. Sarah Shariff, who expressed gratitude to the dignitaries, judges, participants, and organizers for making the event meaningful and successful.

Conclusion

The Elocution Competition – Black Day: Pulwama Remembrance concluded successfully, serving as a solemn tribute to the martyrs of the Pulwama attack. Through powerful speeches, poetry, and essays, the participants honoured the courage and sacrifice of the nation's heroes while promoting patriotism, unity, and respect among students. The event left a lasting impact on all attendees and reinforced the Society's commitment to nurturing social awareness and national values.

Introduction

The Microbiologist's Society India, St. Xavier's College Unit, Ranchi, organized Play Mania on 22nd February 2026 under the tagline "Sun, Sand and Non-Stop Fun." The event was conducted as a recreational outing to provide society members with an opportunity to relax, interact, and strengthen their bonds through engaging games and fun-filled activities.

Objective

- To promote team bonding and friendship among society members.
- To provide a refreshing break through recreational activities.
- To encourage teamwork, communication, and active participation.
- To create memorable experiences through fun games and group activities.

PLAY MANIA

Event Highlights

The event featured a variety of interactive games and team-building activities that encouraged cooperation, enthusiasm, and friendly competition among the participants. Members actively participated in the activities, making the programme lively and enjoyable.

The event served as an excellent platform for members to connect beyond academics, strengthen interpersonal relationships, and foster a spirit of unity within the Society. The cheerful atmosphere and enthusiastic participation made the event a memorable experience for everyone present.

Conclusion

Play Mania concluded successfully with enthusiastic participation and a vibrant spirit of teamwork. The event achieved its objective of strengthening relationships among society members while providing a refreshing and enjoyable experience through fun-filled games and interactive activities. It reinforced the values of unity, collaboration, and camaraderie within the Society.

NARITVA

Event Details

- **Tagline:-** Menstrual Hygiene Awareness and Sanitary Kit Donation Drive
- **Organized by:-** Microbiologist's Society India, St. Xavier's College Unit, Ranchi
- **Fundraising Period:-** 6th March 2026 – 14th March 2026
- **Donation Drive:-** 15th March 2026
- **Time:-** 9:00 AM - 12:00 NOON
- **Venue:-** Ranchi City (Outreach Programme)
- **No. Of Volunteers:** 19
- **Organizing Secretary:** Manpreet Singh

Introduction

The Microbiologist's Society India, St. Xavier's College Unit, Ranchi, successfully organized NARITVA – Menstrual Hygiene Awareness and Sanitary Kit Donation Drive, a social outreach initiative dedicated to promoting menstrual hygiene awareness and supporting underprivileged women through the distribution of sanitary kits.

The programme aimed to break the stigma surrounding menstruation while ensuring access to essential menstrual hygiene products for women who lack adequate resources.

The event reflected the Society's commitment to promoting women's health, dignity, and well-being through awareness, community participation, and humanitarian service.

Objectives

- To spread awareness about menstrual hygiene and its importance.
- To provide sanitary napkins and essential menstrual hygiene kits to underprivileged women.
- To encourage students to contribute towards women's health and social welfare.
- To promote dignity, health, and confidence among women through community outreach.

NARITVA

Achievements and Highlights

- Successfully conducted a week-long fundraising campaign for menstrual hygiene awareness.
- Organized a sanitary kit donation drive benefiting underprivileged women across Ranchi City.
- Team Astitva emerged as the highest contributing team, raising Rs. 9,751.
- Ms. Niharika Choudhury was recognized as the Highest Individual Donor, contributing Rs. 4,799.
- Raised awareness about menstrual hygiene and encouraged conversations surrounding women's health and dignity.
- Strengthened the spirit of volunteerism and social responsibility among society members.

Impact of the Event

The NARITVA initiative positively impacted the lives of numerous women by promoting awareness about menstrual hygiene and providing them with essential sanitary products. The programme helped address a crucial public health issue while encouraging informed discussions on menstrual health and hygiene. The active involvement of society members showcased their commitment towards creating a healthier and more inclusive society. Beyond distributing sanitary kits, the event empowered women with knowledge, promoted confidence, and reinforced the message that menstrual hygiene is a fundamental aspect of health and dignity.

NARITVA

Conclusion

NARITVA – Menstrual Hygiene Awareness and Sanitary Kit Donation Drive was successfully organized by the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, with enthusiastic participation from its members and volunteers. Through collective fundraising efforts and dedicated community outreach, the Society successfully supported underprivileged women by providing sanitary kits while simultaneously spreading awareness about menstrual hygiene.

The programme served as a meaningful step towards promoting women's health, breaking menstrual stigma, and encouraging social responsibility among students. The success of the initiative reflected the Society's unwavering commitment to community service, women's empowerment, and sustainable social impact.

- **Venue:-** Outreach Programme – Ranchi City, Chiraundi & Station Road (Offline)
- **No. Of Volunteers:** 10
- **Chief Organizing Secretary (COS):-** Archi Bedi
- **Joint Organizing Secretary (JOS):-** Abhya Verma and Niharika Choudhary

Introduction

The Footwear Donation Drive was jointly organized by the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, in collaboration with the Rotaract Club, St. Xavier's College, Ranchi, with the aim of providing comfortable and usable footwear to underprivileged individuals. Guided by the inspiring tagline, "Step Forward to Support Someone's Journey – Your Unused Footwear Can Be Someone's Daily Comfort," the initiative encouraged students and members of the community to donate footwear that could make a meaningful difference in someone's everyday life.

The drive reflected the shared commitment of both organizations towards community service, social responsibility, and the welfare of economically disadvantaged sections of society.

FOOTWEAR DONATION DRIVE

Objectives

- To collect usable footwear for underprivileged individuals.
- To promote the values of compassion, generosity, and social responsibility among students.
- To encourage community participation through collaborative social service.
- To improve the daily lives of beneficiaries by providing comfortable footwear.

Achievements and Highlights

- Successfully collected 81 pairs of footwear through the efforts of the Microbiologist's Society India.
- 10 MBSI volunteers actively participated in the donation and outreach programme.
- The drive was successfully organized in collaboration with the Rotaract Club, St. Xavier's College, Ranchi, enhancing teamwork and community engagement.
- A public awareness march was organized as part of the campaign to encourage community participation and spread awareness about the importance of donating usable footwear.
- The awareness march was conducted under police protection, ensuring the safety of all participants while allowing the volunteers to effectively communicate the purpose of the campaign to the public.
- The jointly collected footwear was distributed to numerous underprivileged individuals across Ranchi City.

FOOTWEAR DONATION DRIVE

Impact of the Event

The Footwear Donation Drive positively impacted the lives of many underprivileged individuals by providing them with comfortable footwear, an essential necessity often overlooked. The initiative not only addressed a practical need but also encouraged students to recognize the value of sharing resources with those less fortunate.

The collaboration between the Microbiologist's Society India and the Rotaract Club showcased how collective efforts can significantly amplify social impact. Furthermore, the public awareness march inspired citizens to contribute towards similar humanitarian initiatives and reinforced the importance of community participation in social welfare activities.

Conclusion

The Footwear Donation Drive was successfully conducted through the collaborative efforts of the Microbiologist's Society India, St. Xavier's College Unit, Ranchi, and the Rotaract Club, St. Xavier's College, Ranchi. The initiative successfully collected 81 pairs of footwear through the efforts of the MBSI team and ensured their distribution to underprivileged individuals across Ranchi City.

The event demonstrated the power of collaboration, compassion, and volunteerism in addressing the basic needs of society. The successful execution of the donation drive, coupled with the public awareness march, reflected the unwavering commitment of both organizations towards community service and humanitarian values. The programme concluded on a highly positive note, inspiring participants and the public alike to continue supporting meaningful social initiatives that bring comfort, dignity, and hope to those in need.

TREE PLANTATION CUM **CLEANLINESS DRIVE**

Event Details

- **Tagline:** "Let's Go Green, Keep It Clean."
- **Organized by:-** Microbiologist's Society India, St. Xavier's College Unit, Ranchi
In Collaboration with Emyrean Club, St. Xavier's College, Ranchi
- **Date:-** 14th April 2026
- **Time:-** 9 AM - 12 NOON
- **Venue:-** Chadri Talab, Ranchi
- **No. Of Volunteers:** 16
- **Organizing Secretary:-** Prem Kumar Gaurav

Introduction

The Microbiologist's Society India, St. Xavier's College Unit, Ranchi, in collaboration with the Emyrean Club, St. Xavier's College, Ranchi, organized a Tree Plantation cum Cleanliness Drive on 14th April 2026 under the tagline "Let's Go Green, Keep It Clean." The initiative aimed to promote environmental conservation by encouraging cleanliness and increasing green cover through tree plantation.

Objective

- To promote environmental awareness and sustainable practices.
- To clean public surroundings and encourage responsible waste disposal.
- To contribute towards a greener environment through tree plantation.
- To inspire students to actively participate in environmental conservation.

TREE PLANTATION CUM **CLEANLINESS DRIVE**

Event Highlights

A total of 15 volunteers enthusiastically participated in the drive at Chadri Talab, Ranchi. The programme began with a cleanliness campaign during which the volunteers thoroughly cleaned the surrounding area by collecting and disposing of waste responsibly. Following the cleanliness drive, the volunteers planted 30 saplings, contributing to the beautification of the area and promoting a greener environment. The event was successfully coordinated by Prem on behalf of the Microbiologist's Society India and Jatin on behalf of the Emyrean Club, whose efforts ensured the smooth execution of the programme.

Achievements

- Successfully cleaned the surroundings of Chadri Talab.
- Planted 30 saplings to promote environmental sustainability.
- Participation of 15 dedicated volunteers.
- Strengthened collaboration between the Microbiologist's Society India and the Emyrean Club through a meaningful environmental initiative.

Conclusion

The Tree Plantation cum Cleanliness Drive concluded successfully, leaving a positive impact on both the environment and the participating volunteers. By combining cleanliness with tree plantation, the initiative reinforced the importance of environmental responsibility and collective action. The event served as an inspiring example of how small, dedicated efforts can contribute towards building a cleaner, greener, and more sustainable future.

UTSAV VEDA 2.0

Event Details

- **Organized by:-** Microbiologist's Society India, St. Xavier's College Unit, Ranchi
- **Date:-** 30th April, 2026.
- **Time:-** 10 AM - 4 PM
- **Venue:-** St. Xavier's College, Ranchi
- **No. Of Volunteers:** 36
- **Competitive event coordinators:-** Gurjyot Singh and Archi Bedi
- **Vocal for Local(VFL) coordinators:-** Manpreet Singh and Vedika
- **Decor heads:-** Aakansha Singh and Abhishek Verma
- **Sponsors:-** Daily Dish Restaurant and Mastermind Ranchi

Idea behind:- The main objectives of Utsav Veda 2.0 were:

- To encourage scientific thinking and innovation among students.
- To provide a platform for students to showcase their creativity and talents.
- To spread awareness regarding nutrition, science, and sustainable ideas.
- To promote local entrepreneurship through "Vocal for Local" stalls.
- To enhance teamwork, communication, and leadership skills among participants.

UTSAV VEDA 2.0

What actually was demonstrated/ presented:-

The expo was about to promote scientific awareness, Creativity & innovation among students through engaging activities related to microbiology & everyday science. The program provided an interactive platform where students could combine scientific knowledge with artists expression & practical learning.

The expo featured four major competitions that attracted enthusiastic participation from students.

- **The Flavour Fiesta cum Food Stall Competition** showcased a variety of nutritious cuisines and promoted awareness regarding healthy eating habits and immunity.
- **The Creative Canvas cum Poster Making Competition** allowed participants to creatively present microbiological concepts and public health awareness through posters and illustrations.
- **The Stone Stories cum Rock Painting Competition** encouraged students to depict microorganisms and scientific themes through innovative rock art.
- **The Silly Science Experiment cum Science Experiment Competition** focused on simple and interesting scientific phenomena observed in everyday life, making science more interactive and enjoyable for visitors.

In addition to the competitions, several

- **Local home-business stalls (Vocal For Local)** were also set up, providing a platform for local entrepreneurs to showcase their products and engage with the college community.

PROJECT KALEIDO

Outcome

The event was a heartwarming and enriching experience for everyone involved. Volunteers spent quality time interacting with the children through conversations, laughter, and joyful activities, creating a friendly and inclusive atmosphere. The smiles shared throughout the day reflected the true spirit of kindness and compassion.

Beyond the distribution of educational materials, the project served as a valuable learning experience for the volunteers. It inspired gratitude, strengthened the importance of inclusion, and reinforced the belief that small acts of kindness can leave a lasting impact on someone's life. Project KALEIDO successfully promoted empathy, social awareness, and the values of community service among all participants.
