PROPOSAL FOR LINKING THE EMPYREAN CLUB UNDER MICROBIOLOGISTS SOCIETY, INDIA

Rev. Fr. (Dr.) Nabor Lakra S.J.
The Principal
St. Xavier's College (Autonomous)
Ranchi, Jharkhand

With due respect, I, Saratsuvra Pyne, wants to bring your attention to this that a club named Empyrean started by me in the year 2023 after being graduated from the college. Now, hereby I humbly wants to draw your attention that this club has already accomplished its one year with different activities. Also, as you must be aware that there is another association which is named as Microbiologists Society, India, whose college level unit was also established by me years back in 2021 is also continuing. Now, I am a National Level Representative of the Microbiologists Society, India.

Therefore, I wish to request you that to kindly permit me to link the Empyrean Club under the Microbiologists Society, India so that the students of St. Xavier's College (Autonomous), Ranchi, Jharkhand will get more higher opportunities to represent themselves at National Levels with their multidisciplinary activities.

If this proposal being accepted by you then the formal linking will be into existence after the Empyrean Club will complete its three years of service, i.e. by 2026. The Microbiologists Society, India will allot a unique identification number to the Empyrean Club on 2026 and then it will resume its activities at National Forum with all due permissions and grants of the higher authorities of the Microbiologists Society, India and the St. Xavier's College (Autonomous), Ranchi, Jharkhand.

I am sure that you will definitely approve this proposal and allow to link the Empyrean Club under the Microbiologists Society, India. I will remain truly grateful to you.

Thanking You
Sincerely Yours

Saratsuvra Pyne
