

NSS Monthly Report (May 2024)

Interactive Session of Management

Date: 4th May, 2024

Venue: SXC, Room No. 4

An interactive session titled "Management as a Career" was organized by Career Launcher at St. Xavier's College, Ranchi. The event aimed to provide students and NSS volunteers with insights into the field of management and its career prospects. The head of Career Launcher, Ranchi Mr. Santosh Kumar a prominent expert in career counseling and management education, led the session. The session began with a welcome address by the Program officer of the NSS UNIT of St. Xavier's College Mr. Anirban Gupta. He underscored the significance of career planning and the critical role that management education plays in shaping successful careers. The head of Career Launcher provided a thorough introduction to the field of management. He outlined the various branches, such as finance, marketing, human resources, operations, and international business, explaining their relevance and applications.

CONCLUSION: The interactive session by Career Launcher at St. Xavier's College was exceptionally well-organized and highly informative. It provided students and NSS volunteers with valuable insights into the management field, helping them understand the vast opportunities and the skills required to excel.

Voter Awareness Campaign

Date: 18th May, 2024

Venue: Morabadi Ground, Ranchi

The NSS Unit of St. Xavier's College Ranchi, sweep Ranchi in collaboration with Electoral Literacy Club organized a voting awareness campaign for spreading awareness and motivating people to cast their vote. The volunteers assembled in the morabadi ground Ranchi at 3:30 pm. Many students and teachers from different colleges came to join the campaign in the ground.

Banners and caps were distributed among all the students. Stage Singers was invited in the campaign to entertain the audience. All students were arranged in the ground. After some times, the chief guest Utkarsh Kumar IAS, SDM Ranchi and Dinesh Kumar Yadav, IAS, DDC Ranchi arrived and joined the program.

Many students participated in wall painting competition in the program to aware the people about the vote.

After this, balloons were given to all the students and teachers and all those balloons were released together to start the program and to capture the

event. The chief guest motivated and thanked everyone for being a part of the campaign. Then he motivated everyone to cast their vote because it is their duty. At last, he distributed the prizes in students to winner of wall painting competition.

CONCLUSION: The voter awareness program creates a positive impact on the people by making them aware and motivating them to cast their votes.
