October Monthly Report 2025

1) Walkathon

Date: 5th October 2025

Venue: Forest Bhawan, Doranda

No. Of Volunteers: 10

The NSS Unit of St. Xavier's College, Ranchi enthusiastically participated in the Walkathon 2025 on the occasion of the 71st Wildlife Week on 5th October 2025. The event was organized at Forest Bhawan, Doranda, with the theme "Save Wildlife, Save Future!"

The primary purpose of the walkathon was to sensitize the community about the importance of wildlife protection and to encourage collective action for conserving biodiversity. It sought to remind citizens that the survival of wildlife is directly linked to human survival, and that protecting animals, forests, and ecosystems is essential for maintaining a healthy environment and a stable future.

NOT ME BUT YOU

The program began at 6:00 AM, where the NSS Volunteers of St. Xavier's College, Ranchi gathered with great zeal and discipline. Carrying the spirit of environmental responsibility, the volunteers marched alongside other participants to highlight the significance of wildlife preservation and biodiversity.

Through their participation, they conveyed the message that safeguarding wildlife is essential not only for ecological balance but also for the well-being of future generations.

The active involvement of the NSS volunteers showcased their dedication to environmental causes and social responsibility.

The walkathon successfully spread awareness among local citizens, encouraging them to respect wildlife and support conservation initiatives. It also instilled a sense of environmental duty among the NSS volunteers, motivating them to continue participating in eco-friendly campaigns and outreach programs.

The event strengthened community engagement and reinforced the idea that sustainable change is possible through collective effort and awareness. The event concluded on a positive and inspiring note, reminding everyone that the responsibility to protect wildlife and preserve our planet lies in our hands. The NSS Unit remains committed to contributing towards a greener, safer, and more sustainable tomorrow.
