Project Name - Publication of list

Project Date - 13th October, 2024

Project Venue - Online

Project Description - The Science Club proudly published the list of newly selected members, welcoming fresh talent into our vibrant community. These recruits stood out for their knowledge, passion, and innovative ideas, promising to bring new energy to our initiatives. We look forward to their contributions in advancing our scientific projects and events.

Project No. - 3

Project Name - General Meeting and Orientation

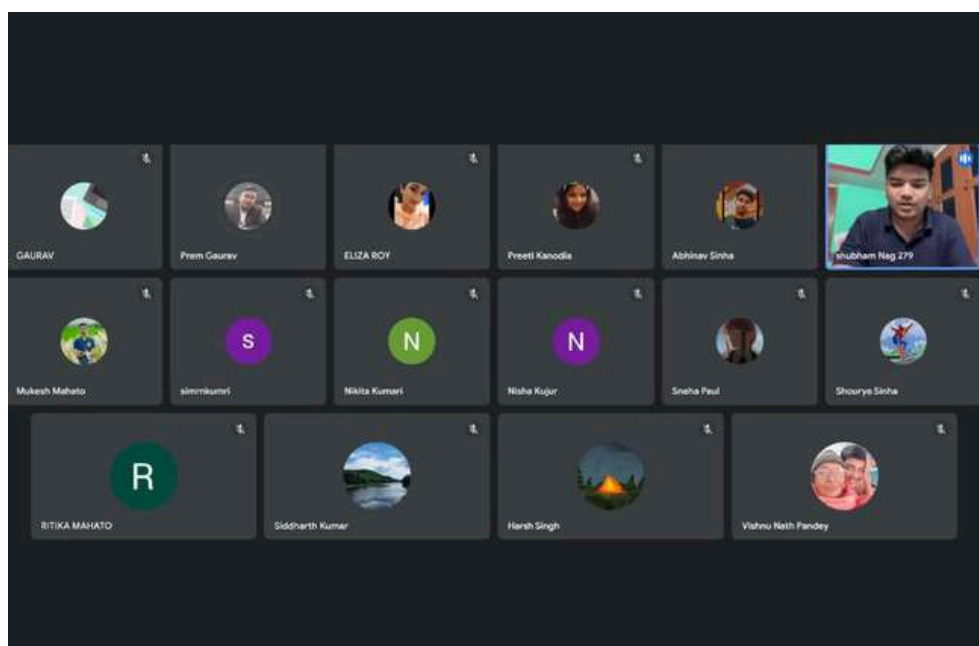

Project Date - 16th October, 2024

Project Venue - Offline

Total Participation - 15+

Project Description - The Science Club held its third “General Meeting” and Orientation ceremony of the 2024-25 tenure, where new members were welcomed to the club and they discussed the month's event schedule, brainstorming ideas and planning activities aimed at fostering scientific curiosity and engagement among students.

Project No. - 4

Project Name - Tech Gyan

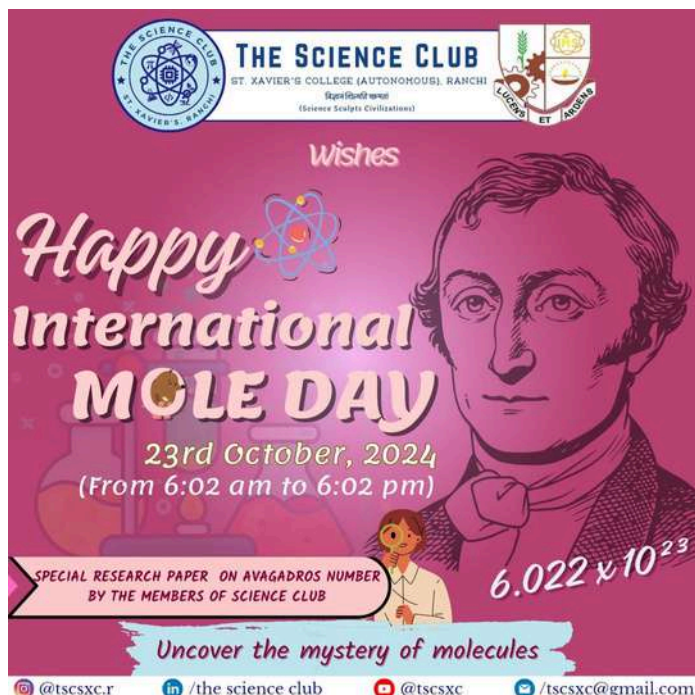

Project Date - 18th October, 2024

Project Venue - Online

Total Participation - 18+

Project Description - The Science Club successfully hosted the Tech Gyan event, where members learned Canva basics and poster design techniques. Led by our special guest and club alumnus, Shubham Nag, the session was insightful and engaging, equipping participants with valuable digital skills. It was a fantastic learning experience for all attendees.

Project No. - 5

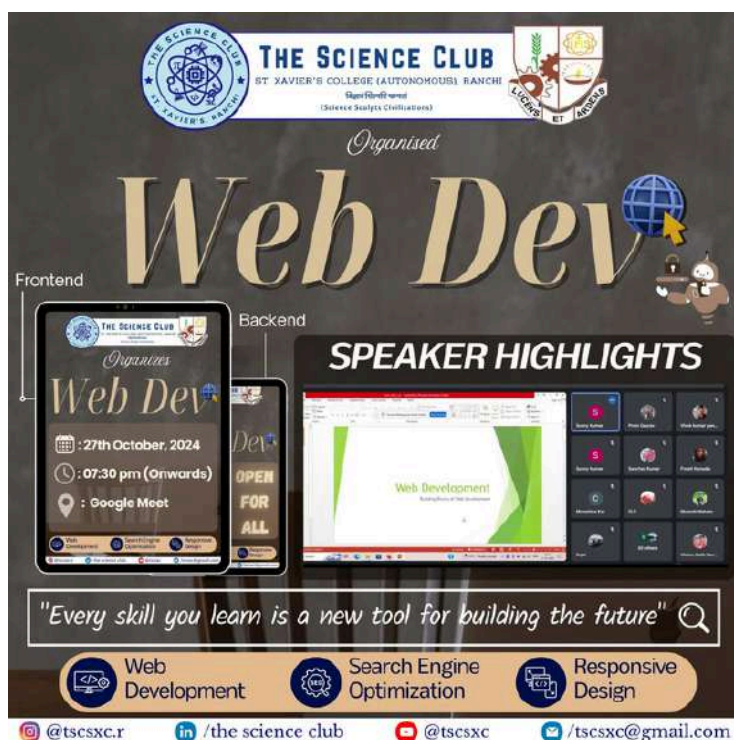

Project Name - International Mole Day

Project Date - 23rd October, 2024

Project Venue - Online

Project Description - The Science Club celebrated International Mole Day by sharing a message with its members, emphasizing the significance of Avogadro's number and its role in chemistry. The message aimed to deepen appreciation for the mole concept, fostering a shared enthusiasm for scientific exploration within the club.

Project No. - 6

Project Name - Web Dev

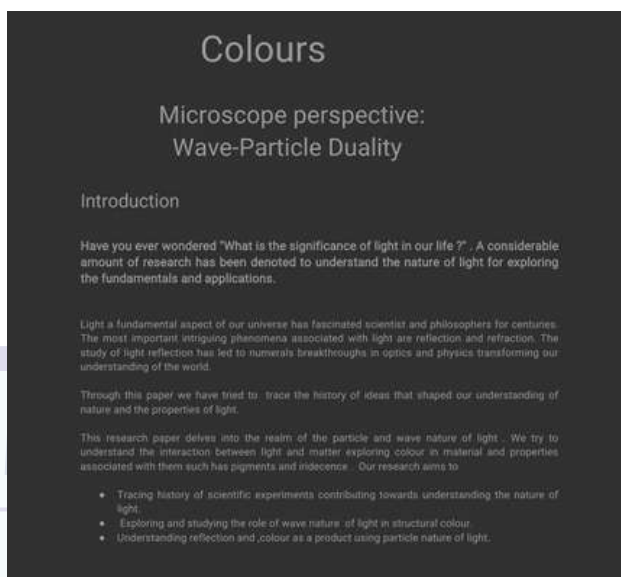

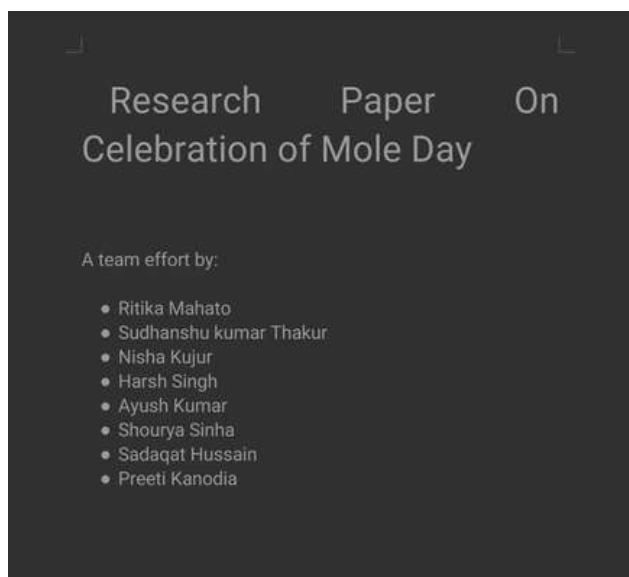

Project Date - 27th October, 2024

Project Venue - Online

Total Participation - 30+

Project Description - The Science Club successfully hosted the Web dev event, where members gained valuable insights into website development. Led by our special guest, Sunny Kumar, the session covered essential skills and fundamentals, sparking enthusiasm for web technologies. This informative event equipped participants with foundational tools for future digital projects.

Project No. - 7

Project Name - Research Paper Submission

Project Date - 30th October, 2024

Project Venue - Online

Project Description - The Science Club celebrated Mole Day, honoring Avogadro's Number (6.022×10^{23}) and its significance in chemistry. Members prepared a research paper exploring this constant's applications and historical importance, deepening attendees' understanding of the mole concept and highlighting its vital role in scientific research.

Board of Governors 2024-25

Prem Kumar Gaurav	President
Sadaqat Hussain	Vice President
Preeti Kanodia	Secretary
Vishnu Nath Pandey	Treasurer
Eliza Roy	Vocational Service Executive
Abhinav Sinha	Tech Executive
Gaurav Kumar Garv	Public Relations Executive

I affirm that all the information I have provided is accurate and truthful. I have not supplied any incorrect detail intentionally. Both I and my club are prepared to accept any disciplinary measures if any discrepancy or inaccuracy are discovered during the verification process.
