THE SCIENCE CLUB

St. Xavier's College, Ranchi

PRESIDENT : VISHNU NATH PANDEY

SECRETARY: HARSH SINGH

 **DATE:** 11th & 12th October

 **PLACE:** Fr. Proost Hall

The Science Club successfully conducted its Recruitment Interview on 11th and 12th October, 2025, from 10:00 a.m. to 3:00 p.m. The interview aimed to identify enthusiastic and dedicated students interested in becoming active members of the club.

Throughout the two days, the interviewees showcased keen interest and enthusiasm in joining the club. The process involved a structured interaction designed to understand their interests, communication abilities, and motivation for contributing to the club's activities. Data was systematically collected about all participants for further evaluation and record-keeping.

The recruitment drive also proved to be a valuable learning experience for existing club members, who got the opportunity to experience a professional interview environment from the interviewer's perspective. It helped them enhance their communication, coordination, and evaluation skills, fostering teamwork and leadership among members.

Overall, the Recruitment Interview was a well-organized and engaging event, serving as a platform for mutual learning and growth, and marking the beginning of a new tenure filled with fresh ideas and energy.

📅 DATE: 16th October, 2025

📍 PLACE: Sports Arena

The Science Club organized its General Meeting cum Orientation on 16th October, 2025, at the Sports Arena, starting from 8:30 a.m. onwards. The session marked the first official gathering after the recruitment interviews and served as an introduction and orientation for the newly inducted members.

The event began with a warm welcome to the new recruits, followed by introductions from the Board of Governors (BOGs), who shared their roles and experiences within the club. The President addressed the gathering, outlining the vision, mission, and objectives of The Science Club, helping the new members understand its core purpose and direction.

A few ongoing and upcoming projects were discussed, providing the new members with insights into the club's functioning and areas of involvement. The orientation further encouraged active interaction and idea exchange, as the new members introduced themselves and shared their interests in front of all.

The session was highly interactive and engaging, fostering a sense of belonging and enthusiasm among the members. It successfully set a collaborative tone for the tenure ahead, inspiring everyone to contribute meaningfully to the club's future initiatives.

📅 DATE: 11th October, 2025

📍 PLACE: NSS Office

On 11th October, 2025, The Science Club engaged in a Letterhead Exchange with the National Service Scheme (NSS) unit of St. Xavier's College, Ranchi. The initiative marked a thoughtful gesture of communication and collaboration between the two student bodies.

The Science Club was formally invited to the NSS Annual Day Celebration, strengthening the bond between the two active organizations of the college. Representatives from both clubs gathered to discuss possibilities of fostering collaboration, sharing ideas on how science and community service can be integrated for meaningful social impact.

The interaction reflected mutual respect and enthusiasm for interdisciplinary cooperation, aiming to create opportunities for joint events, outreach activities, and knowledge exchange in the future.

The meeting concluded on a positive and collaborative note, with both clubs expressing their commitment to work together for the betterment of the college community and society at large.

EVENT 1 : SESSION BY EXPERT

@tscsxc.r @TSCSXC /the science club @tscsxc /tscsxc@gmail.com

DATE: 30th October, 2025

PLACE: Google Meet

As part of Project SciSearch, The Science Club organized an enlightening Session by Expert Ayushi Singh, a research scholar from IIT Bombay, on 30th October, 2025. The session aimed to introduce students to the basics of research and to encourage them to explore the world of scientific inquiry.

During the session, Ms. Ayushi shared her insights into the research process, including how to identify research problems, perform literature reviews, and collaborate effectively with mentors and peers. The expert also discussed the relevance of her own research work, providing practical examples that inspired the participants.

The event proved to be a highly engaging and informative experience. Participants actively interacted with the speaker, asked questions, and gained a better understanding of the research ecosystem in academia. The session also helped members enhance their curiosity, critical thinking, and communication skills.

Overall, the Session by Expert under Project SciSearch was a great success, offering valuable exposure to students and motivating them to pursue research with enthusiasm and confidence.
