A Talk on Women Health and Health Camp on International Women's Day

Women's cell St. Xavier's college Ranchi in collaboration with IQAC organized a talk and health camp on March 9th 2026 to mark International Women's Day. At the outset Principal Rev. Fr. Dr. Robert P. Kujur along with the guests inaugurated a health camp. The programme started with a welcome speech by Dr. Anupama Bhargava, coordinator women cell. This was followed by the felicitation of guest speaker Dr. Shashi Yashi, Lab. Head at Pathkind and Dr. Bharti Raipat, former coordinator of women cell. Fr. Principal in his address urged women to remain brave and independent. Dr. Shashi Yashi's deliberation was on common health issues faced by women. She emphasized on the importance of balanced diet, healthy life style and regular health checkups. At the end, the vote of thanks was proposed by Dr. Priya Srivastava, Assistant Coordinator, Women Cell.
