Tech Fest – Eklavya 2025

Date(s) of the Event:

April 23–24, 2025

Organizing Department/Club/Society:

Host Institution: Dr. Shyama Prasad Mukherjee University (DSPMU), Ranchi
In Collaboration With: Google Developer Group (GDG), Ranchi and Xavier TechByte Society,
Department of Computer Science

Report Prepared by: Dr. Kamaldeep (Asst. Professor, Dept. of Computer Science)

Objectives and Outcomes:

- **Objectives:**
 - To provide students with a platform to apply and showcase technical, creative, and problem-solving skills.
 - To promote inter-institutional learning and collaboration.
 - To engage students in hands-on challenges that foster innovation and teamwork.
- **Outcomes:**
 - XTS teams participated in multiple technical competitions including hackathons and design challenges.
 - Two teams earned awards, enhancing the club's visibility and credibility.
 - Participants developed improved leadership, collaboration, and technical skills.
 - Strengthened partnerships and community engagement in the tech domain.

Event Overview

Eklavya 2025 was a vibrant and high-energy two-day technical fest hosted by DSPMU in collaboration with Google Developer Group (GDG) Ranchi and the **Xavier TechByte Society (XTS)**, managed by the **Department of Computer Science**. The event brought together innovative minds from multiple institutions, offering a platform to showcase skills in technology, design, and engineering. Featured events included:

- Hackathons
- UI/UX Design Challenges
- Capture the Flag (CTF)
- Fast Calculation Competitions
- Robo Maze and more

The fest fostered an environment of collaborative problem-solving and creative thinking among participants.

Conclusion

Participation in Eklavya 2025 was a rewarding and enriching experience for the XTS club. The event:

- Enhanced our members' technical competencies
- Strengthened teamwork and leadership abilities
- Significantly increased the club's visibility in the tech community

Our successful participation and recognition reaffirm the commitment of XTS to foster innovation, collaboration, and continued learning.

Executive Summary:

This report outlines the XTS Club's active participation and official collaboration in Eklavya 2025, a premier tech fest organized by DSPMU, Ranchi in association with GDG Ranchi. Managed by the Department of Computer Science, XTS contributed through team competitions, individual creativity, and event support. This document summarizes the club's involvement, achievements, and reflections.
