

Xavier's TechByte Society

Department of Computer Science
St. Xavier's College, Ranchi

Podcast Session

Date:

17th March 2025

Venue:

Fr. Proost Hall, St. Xavier's College, Ranchi

No. of Participants:

Approximately 50–60 students

Introduction:

On 17th March 2025, Xavier's TechByte Society (XTS) conducted an engaging *Podcast Session* at Fr. Proost Hall, St. Xavier's College, Ranchi. The session featured a panel of esteemed faculty members from the Department of Computer Science & IT, who engaged in open dialogue on technology and education.

Objectives:

- To create a platform for expert discussions on current tech developments
 - To foster student-faculty interaction around technological and digital topics
 - To offer insights into the future of tech careers and academic innovation
 - To encourage active student involvement in tech-driven initiatives
-

Outcome:

The panel featured:

- **Dr. Swarat Chaudhuri**, Associate Professor & Head, Department of CS & IT
- **Dr. Kamaldeep**, Assistant Professor, CS & IT
- **Dr. Supriya Gupta**, Assistant Professor, CS & IT

They shared valuable insights on emerging technologies, student roles in tech, and how academic institutions can better adapt to digital transformations. The interactive nature of the session encouraged students to ask questions, share ideas, and gain clarity on their future in tech. The event was both inspiring and intellectually stimulating.

XTS Connect

Date:

23rd March 2025

Venue:

Oxygen Park, Ranchi

No. of Participants:

25–30 members

Introduction:

On 23rd March 2025, Xavier's TechByte Society (XTS) hosted *XTS Connect*, an informal outdoor meetup held at Oxygen Park, Ranchi. The gathering was aimed at encouraging open communication, reflection, and bonding among XTS members in a relaxed, natural setting.

Objectives:

- To strengthen team spirit and interpersonal connections among XTS members
 - To reflect on past achievements and future plans for the society
 - To foster collaboration and creativity through open discussions and group activities
 - To offer a refreshing break from routine academic and technical schedules
-

Outcome:

The meetup featured team-building games, brainstorming sessions, and interactive conversations. Members had the chance to share their experiences, discuss future ideas, and relax together. *XTS Connect* helped nurture a positive and inclusive community culture within the society and reinforced a shared commitment to collaborative growth.
