REPORT ON THE BGMI EVENT

The BGMI event was conducted by the social media team of th Empyrean Club from November 4th to November 10th, 2024. This event was hosted online on the official BGMI application, attracting participants from various colleges and states, including Xaviers College.

Event Roadmap:

1. Pre-Event Preparation

The preparation phase commenced ten days prior to the event, which involved the creation of promotional materials, including posters and reels. Notably, one of the promotional reels garnered approximately 15,300 views on Instagram.
Registration forms were developed using
Google Forms, allowing all individuals with a passion for BGMI to participate. The entry fees were established at 799 for squad participants and 749 for solo participants.
While there was substantial support for the squad event, the solo event experienced lower participation. To enhance the experience of solo players, we facilitated team formations by grouping them with other solo registrants.
Consequently, the event achieved a complete roster comprising 46 teams (184 players).

Organising the Event:

Due to the large number of participating teams, the tournament was organized in two phases: the qualifiers and the final round.

The qualifiers were structured into three slots, with the first slot accommodating 16 teams and the remaining two slots each hosting 15 teams.

For the qualifiers, two maps-Erangel and Sanhok-were utilized, whereas the final round featured three maps: Erangel, Miramar, and Sanhok. The top six teams from each slot qualified for the final round Advanced room cards wereutilized during the event to ensure a superior gaming experience.

A minimum of two spectators were assigned to each game to monitor and resolve potential issues such as hacking or technical difficulties.

It is noteworthy that no such incidents occurred throughout the event.

Ultimately, 18 teams qualified for the final round, and the winner was determined using a points table consistent with professional tournament standards.The winning team was awarded a cash prize of *1,200, while the Most Valuable Player (MVP) received a cash prize of 2300.

Winners:

Champion Team: Team 7 Eleven (St.Xavier's College)
Most Valuable Player (MVP): TDPXTHOR (Team INVISIBLE)

Conclusion:

This event would not have been feasible without the dedicated support of each member and team involved in the Empyrean Club. I would like to express my sincere appreciation to all participants who contributed to the success of this event.

REPORT ON THE VISIT OF GURU NANAK ORPHANAGE

Date: 24th November,2024

We had the wonderful opportunity to visit Guru Nanak Orphanage for a donation drive, and it turned out to be an unforgettable experience. From the moment we stepped into the orphanage, there was a sense of warmth and positivity that filled the air.

We spent quality time with the children there, who greeted us with smiles that could light up any room.

Their innocence and joy were truly heartwarming. Interacting with the children, hearing their stories, and sharing moments of laughter made the day incredibly special.

We contributed whatever we could, knowing that even a small effort can make a meaningful difference in their lives. It was deeply fulfilling to see our donations being received with such gratitude.

The highlight of the visit was the langar, a beautiful tradition of selfless service and togetherness.

Sharing a simple, yet delicious meal with everyone at the orphanage created a sense of unity and love. The atmosphere was serene, filled with the blessings of Guru Nanak's teachings about compassion, equality, and service to humanity.

This visit reminded us of the importance of giving back and cherishing the small joys in life. It was a day filled with inspiration, love, and the realization that true happiness lies in spreading kindness and making others smile.
